

As a result of Discover Financial Services' acquisition of Diners Club International®, a new global ATM/cash access network is has been built to provide Diners Club cardmembers convenient access to cash around the world.

PULSE, a Discover company and one of the fastest-growing ATM/debit networks in the U.S., has built this Global Club Cash® Access network for Diners Club. As of July 1, 2009, the network includes more than a half million ATMs and cash access locations in more than 100 countries in major international business and leisure destinations.

In UAE; Cash advance facility can be obtained from over the counter at Emirates Bank Branches and from over 600,000 ATMs world-wide.

Please refer to Club Cash On-line Locator www.dinersclubcash.com to find out the nearest ATM location

The Club Cash On-line Locator will be accessible from a computer, smart phone or PDA to locate ATMs and cash access locations

Additional ATMs and over-the-counter cash access locations will be added on an ongoing basis as we build the Club Cash network.
