STEP 5

The screenshot shows the Emirates Bank NBD mobile app interface. At the top, there are logos for Emirates Bank and NBD. The main text reads: "Please use the key pad to enter your Credit Card Number". Below this is a large, empty rectangular input field. Underneath the field, it says: "Please note payments received after 10 PM will be processed the next working day". At the bottom left, there is a button labeled "ERROR" with the text "Press ERROR to make a correction" and "Select 'CONFIRM' to proceed" and "Select 'CANCEL' to stop". At the bottom right, there are two buttons: "CONFIRM" and "CANCEL".

- If you chosen Manual entry in STEP 4, this screen will appear.
- Write your Credit Card number *14 Digits*.
 - Press **CONFIRM** to move to the next step.
 - Press **CANCEL** to cancel the transaction.
- Please Note:
 - Don't put space between them.
 - You will have 3 attempts for inserting your Credit card number.
 - After 10 PM your payment will be reflected the next working day.

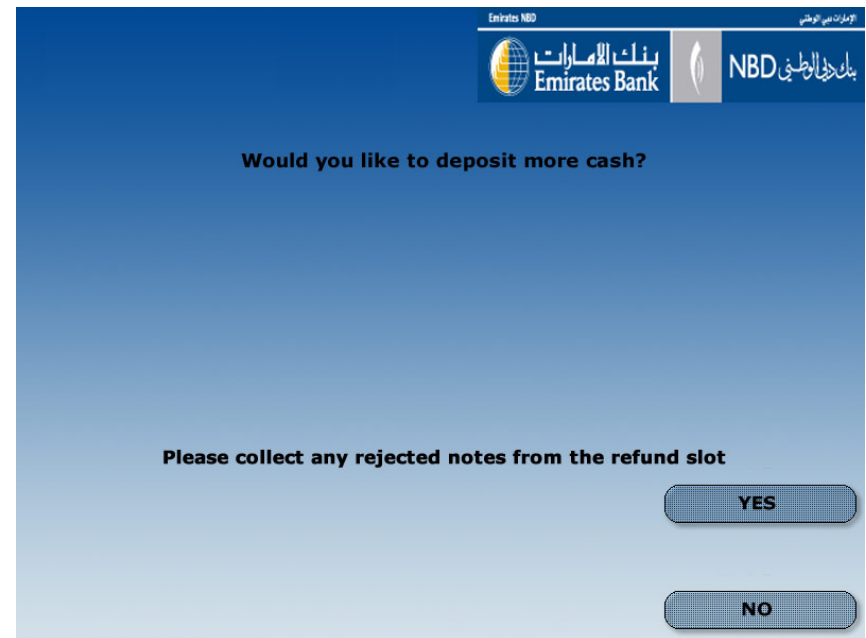

STEP 6

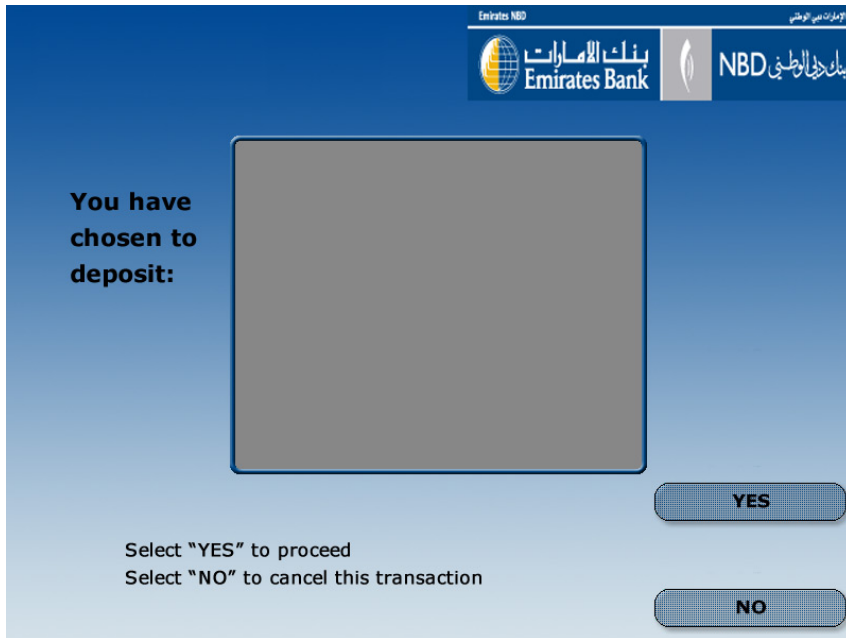

- You will deposit the amount you wish to pay for your Credit card.
- Please note:
 - The machine will not accept cash AED 5.
 - Make your payments to nearest AED 10.
 - You can deposit up to 50 notes per transaction.

STEP 7

- You will be asked if you want to deposit more cash to the payment you made.
 - Press *YES* if you want to add more.
 - Which will take you to STEP 6 again.
 - Press *NO* to complete the process.

STEP 8

- The deposit confirmation screen will appear confirming the details of your payment (Your Name, Credit Card number and the deposited amount).
 - Press *YES* to process the transaction.
 - Press *NO* to Cancel the transaction and return your cash.

STEP 9

- After confirming the deposit details you will receive a receipt.
- Keep the slip as a proof for your payment.
